

MENASHA UTILITIES/WPPI ~ \$1,000 SCHOLARSHIP ~

High school seniors may be eligible to win a \$1,000 scholarship. A total of two scholarships will be awarded. To qualify, the student's parents or legal guardian must be a customer of Menasha Utilities and/or reside in the City of Menasha when the application is submitted. Scholarship criteria, information, and profile forms can also be found on our website at:

www.menashautilities.com

The Application Process

Any high school senior who plans on attending a post-secondary educational institution (college, university, or technical school) may complete an application, which is available in their high school Guidance Office. The Application requests general, educational, and extra-curricular information, and includes a short essay.

Scholarship Award

The Applications will be evaluated by the Menasha Utilities Scholarship Review Committee. Award of the scholarship will be based on educational goals, academic achievement, and extra-curricular/ community service activities. The scholarship prize will be announced and presented at the school's award ceremony.

Deadline

Submit your application and a copy of your high school transcripts to the Guidance Office no later than **March 22, 2024**. The Guidance Office will then forward the complete application to Menasha Utilities no later than **April 4, 2024**.

Payment

Payment of the scholarships will be done in two installments. The first installment will be paid after Menasha Utilities receives proof of registration for the first semester at a legitimate college, university, or technical school as a full-time student. The second installment will be paid after proof of registration for the second semester is made and evidence is presented to Menasha Utilities that a minimum of a 2.5 GPA as obtained in the first semester.

Menasha Utilities/WPPI Energy Scholarship

Program Guidelines

Scholarship Purpose

Two \$1,000 scholarships, authorized by the Menasha Utilities Commission, will be offered to the 2024 graduating seniors. The primary purposes of offering these scholarships, in conjunction with WPPI, is to give something back to the community, to demonstrate a commitment to the community, and to increase name recognition of both Menasha Utilities and WPPI.

Eligibility

1. Applicants must be a graduating high school senior who plans on attending a post-secondary educational institution (college, university, or technical school) as a full-time student, with a minimum of 12 credits per semester. Preference will be given to students entering an electric, business, engineering or chemistry field.
2. **The student, their parent or legal guardian must be a customer of Menasha Utilities and/or reside in the City of Menasha.**

Scholarship Process

1. Interested students will be required to fill out an Application Form along with an Informational Essay. Forms will be available in the high school Guidance Office or on the Menasha Utilities web site, www.menashautilities.com.
2. Return the completed Application Form, Informational Essay, and copy of your high school transcript, (ACT scores optional), to your high school Guidance Office no later than **March 22, 2024**. The Guidance Office will then forward this information to Tammy Phillips at Menasha Utilities, no later than **April 4, 2024**.
3. The Menasha Utilities Scholarship Review Committee will review the Applications. Confidentiality of the profiles will be strictly honored and viewed only by the Review Committee.
4. The scholarship prizes will be announced and awarded at the school's ceremony.

Scholarship Payment

Payment of the scholarships will be made in two installments. The first installment of \$500.00 will be paid after proof of registration for the first semester at a legitimate college, university, or technical school is provided to Menasha Utilities. The second installment of \$500.00 will be paid after evidence is presented to Menasha Utilities that a minimum of a 2.5 gpa was obtained for the first semester, and proof of registration for the second semester is sent to Menasha Utilities.
